JOB TITLE: WEB DEVELOPER

JOB DESCRIPTION: Maintain, modify, and/or update new or existing websites using VB.NET, ASP.NET, classic ASP, HTML, CSS, JavaScript and Microsoft SQL Server. Troubleshoot and resolve MS SQL and MySQL database issues. Deploy User Interface (UI) build-outs using Photoshop, CSS and HTML with W3C coding standard validation. Coding style must be clean and direct.

SALARY: \$45,000 per year plus benefits and structured bonus.

EXPERIENCE: At least three years of web site development, UI design and build-out experience in a business environment. Proficient in ASP.NET, VB.NET, and Microsoft SQL Server. Experience dealing with cross-browser and cross-platform issues (IE 6-8, Firefox, Safari, etc.). Experience with Adobe Photoshop, Creative Suite C3 or C4, and Visual Studio.

EDUCATION: Bachelor's degree in Web Development or equivalent on-the-job experience.

SHIFT: Our office hours are from 8:00 am until 5:00 pm, Monday through Friday with a two-hour flex time from 7:00 am until 9:00 am. You will be expected to perform 40 to 48 hours of service per week in our Crestview Hills Office.

EXPECTATIONS: Due to the sensitive nature of company information and data you will be exposed to, you will be expected to agree to and comply with a strict Confidentiality and Non-Compete agreement which includes not seeking or accepting employment offers from ISOCNET Clients or Prospects. You will also be expected to comply with a non-solicit agreement with respect to ISOCNET employees.

TESTING: You may be required to demonstrate your abilities through a brief individually assigned project.

COMPANY: We have been offering custom web applications, web design, development, and hosting since 1994 in the Greater Cincinnati and Northern Kentucky areas.

TO APPLY: Please send your Resume' and Salary History to jobs@isoc.net with "Web Development Position" in the subject line. Feel free to also provide previous testing results you may have available to support your skillset.
