

Android Email Configuration

Step 1: Open the Email application

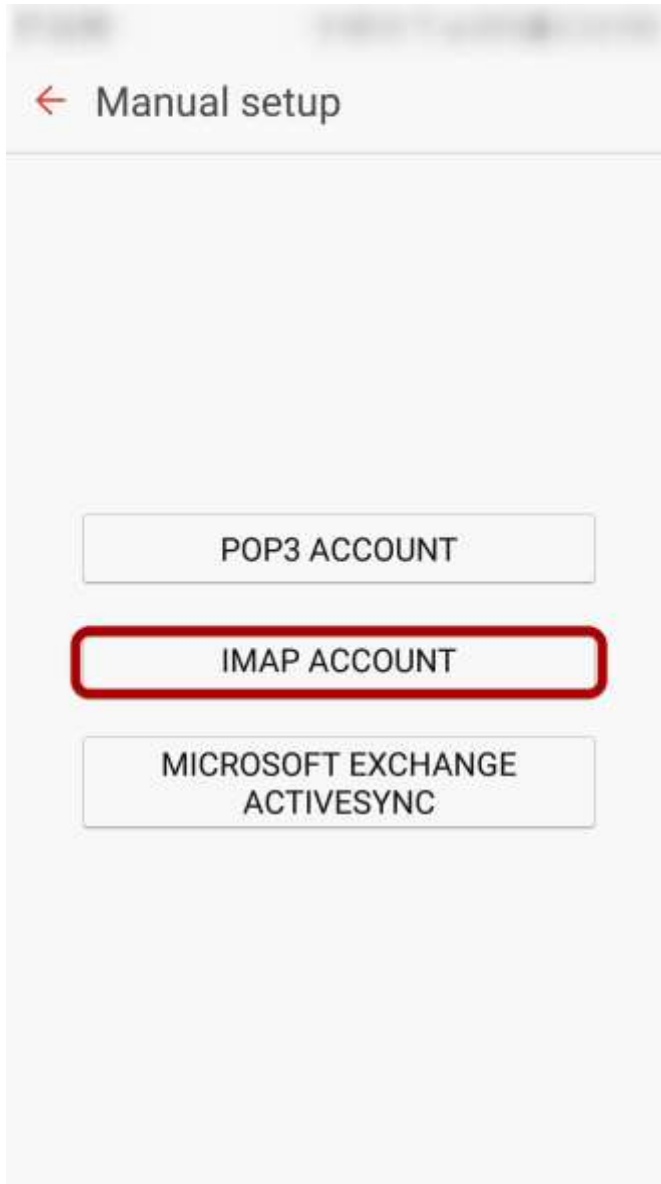

Enter your email address and select **Manual Setup**

Step 2: Select account type

Select **IMAP Account**

Step 3: Enter Incoming Account Settings

The screenshot shows a mobile application interface for manual email account setup. At the top, there is a back arrow and the text 'Manual setup'. Below this is a section titled 'Account' containing three input fields: 'Email address' with the value 'user@example.com', 'User name' with the value 'user@example.com', and 'Password' with a masked value of seven dots. A checkbox labeled 'Show password' is located below the password field. The next section is titled 'Incoming server' and contains three fields: 'IMAP server' with the value 'mail.hostedemail.com', 'Security type' set to 'SSL' with a dropdown arrow, and 'Port' which is currently empty. At the bottom right of the form is a 'SIGN IN' button.

Enter the following information:

Username: Enter your full email address.

Password: The **Password** field is automatically filled in with the password that you created when you set up your email account.

IMAP server: **email.isoc.net**

Port: 993

Step 4: Enter Outgoing Server Settings

The screenshot shows a mobile application interface for manual setup. At the top, there is a back arrow and the text 'Manual setup'. Below this is a header 'Outgoing server'. The form contains the following fields: 'SMTP server' with the value 'mail.hostedemail.com', 'Security type' set to 'SSL', and 'Port' set to '465'. There is a checked checkbox for 'Authentication required before sending emails'. Below this are fields for 'User name' with the value 'user@example.com' and 'Password' with masked characters. At the bottom, there is an unchecked checkbox for 'Show password' and a red-outlined 'SIGN IN' button.

Enter the following information:

SMTP Server: email.isoc.net

Port: 465

Security Type: SSL / TLS

Username: Your email address

Password: Your email account password

Click **Sign In** to complete the setup process.
